Another impressive Male High Grad . . .

What U of L Coaches do you think have won the most National Championships at the University of Louisville? The Cheerleading Squad holds the record, but Sheryl Knight comes in second. She has won 12 National Championships.

When she was 12 years old she started her career as a cheerleader for the Firefighters League. She found she loved to make up her own routines. Obviously she is very good at that.

Before becoming the Head Coach of the Ladybirds she was the former captain of the squad.

Sheryl has over 25 years of dance experience in Pom, Jazz, and Hip Hop. She is a former Universal Dance Association (UDA) instructor and choreographer. She worked for UDA for 8 years traveling the country teaching both high school and college dance camps. She has also been a Master Hip Hop Instructor for the National Dance Alliance (NDA).

Sheryl is a professional choreographer who has choreographed over 65 national championships and world championship routines. Her choreography has helped clinch championships for teams on the Junior High, High School, College, and All Star Dance Team level. Sheryl choreographed for the Phoenix Mercury co-ed Hip Hop team, a division of the Phoenix Suns NBA team.

She has danced for Arena Football teams, as well as the European Basketball League in Florence, Italy. Sheryl continues to travel the country teaching master classes and training in all styles of dance.

Sheryl was inducted into the Louisville Male High School Hall of Fame in 2010. She has also been nominated for the 2014 USASF Dance Coach of the year.

Sheryl is also President of the Dancing Agency. The Dancing Agency is a new company that presents workshops, competitions and professional growth seminars that focus on building well rounded, young dancers and getting them noticed by college dance team coaches across the county. The Dancing Agency represents dancers from ages 8 through adult in their search for college dance teams that offer potential scholarship for team members. Dancing Agency prepares dance clients and parents for the transition to college dance team life.

Are you impressed yet? She is the coach at Jefferson County Traditional Middle School. Sheryl’s mother, Mary Knight ’71 is also a Bulldog. Sheryl has a gorgeous and extremely talented daughter named Christian. Hopefully she will also be a Bulldog one day and be a member of our Dance Team.
ALUMNI President

Congratulations to all 500 incoming freshman for the 2014-2015 school year. LMHS Alumni hope all students have a successful year.

We want to thank all our new and returning teachers and staff for their dedication to the students and to Male High School. Your hard work is reflected in the success of our school. With everyone working together in the best interests of the students and our school we will show everyone why Male is #1.

Good luck to all our athletes! Please support our students in their athletic endeavors and cheer on the Bulldogs at home and away. Male has always had amazing school spirit. Let us carry on that tradition and show support to all our student athletes and teams. Go Bulldogs!

Alumni Projects in the Works
The Alumni and the LMHS Foundation are working together to remodel the lobby area of the school. New trophy cases and spot lights in the ceiling will be installed. Thank you to everyone who has donated to the Alumni Association and to the Foundation. Without your donations this project would not be possible.

Make it a great year LMHS Alumni!
Earl S. Long, LMHS Alumni President

VOICE OF JOYCE

We are all back at school and all is going great. Ernie, Gene, Gaynell, Glenda, Mike, Ed, George and many others are coming to the office to visit and share a donut with old friends. We invite you to join us on Tue, Wed and Thu from 9 am to noon.

Have you been keeping track of our football team? We are really looking good and we are so glad to be back on track. We support all our teams at Male and are so proud of all the students who work so hard to represent us. We also have great coaches who are dedicated to Male. We also have a great Athletic Director, John Kelsey who is dedicated to Male and also the alumni. John’s father is a Male Alumni.

We have no Class Notes this newsletter because we didn’t get any. Remember your classmates like to know about you and hope you will send a “note” in for the next newsletter.

We are all so proud of what former Male, U of L and NBA basketball star Darrell Griffith is doing for his community and I personally was thrilled to see the court will be painted purple and gold. The new Darrell Griffith Athletic Center is being built at the West End School at 36th and Virginia Avenue. The athletic center, which is supported by more than two million dollars in donations, will host its first home basketball game in the fall. West End School is a free college preparatory elementary and middle school for at risk young men.

NEWSLETTER BY EMAIL OR SNAIL MALE.

We need to let you know how you will be receiving your newsletter. A lot of people call me and tell me they did not receive their newsletter. If we have an email address for you, you are notified by “I Contact” that your newsletter is now available on the website. You then go to malealum.org and click on newsletter. You can then read or print it out.

The cost of printing and mailing the newsletter is very expensive. We hope you will consider receiving it by email. We especially can’t afford to keep mailing your newsletter if you pay no dues. We do not ask for a specific amount. You also will get your newsletter a lot quicker than waiting for labels to be applied and going through non profit mail.

You can send your email address to lmhskyalum@aol.com. Just remember that if we have your address, we DO mail you a newsletter. If you don’t receive it, you might want to talk to your post office. I guarantee we mail it. If you change your address, please let us know.

Winston Bennett gave me a call and is living back in Louisville. If you need his help (he is in the insurance business) please call him at 502-736-3775. Welcome home Winston.

As Alumni of Male High School we need to think about what we can do for Male. Our fields are in bad condition and there is no chance that we will get turf for our fields (a lot of districts have them) or money to fix our fields. We paid for the track and refinishing of our basketball court. We also took care of the drainage problems. It is easy to say that “the board should do it” but the truth is if we want the best for Male High School we need to do it ourselves. We have put in several cameras for the safety of our students but need $13,000 to bring them up to the best quality. We need money for our fields. I am only asking that we reflect on what Male has done for us and we have been the best since 1856 – let’s continue the tradition of being the best. Remember when Pres Kennedy said ask not what your country can do for you, ask what you can do for your county. Well let’s change that to:

Remember what Male has done for you
What can you do for Male?
THE SPECTATOR

PROBLEM
By Bill Stodghill
April 1944

As I lounge here with my feet propped up on the coffee table and wander into the memories of the past, and wonder of the future, I am troubled with the present. My eyes scanning the things about me, aimlessly reveal this pensive mood that I am in. If anyone could see me now, I am certain that he would understand with sympathy that something vague and intangible is worrying me. My clammy hand is grasping Dad’s pipe firmly, and every few seconds I draw the smoke into my lungs and send a thin finger of vapor out into space. Smoking is really not a habit with me, but since I have often noticed Dad using it as an aid to deep meditation, it seems proper that I also should call upon all possible assistance for the solving of my problem.

For certainly this is a problem. Already a gloomy cloud of that smoke hovers above me and adds to my solitude. The crush of shattered glass on the street startles me and I am partially brought back to my senses. As my mind rapidly began to clear, I realize that the time grows short, and that each second must be consumed wisely or I shall not reach a conclusion. Tiny beads of preparation begin to break out on my forehead and now, as the clock on the mantel chimes the last stroke of twelve, I realize that all is lost. Oh, yes! It seems inevitable that I shall fail the test on the Pythagorean Theorem tomorrow in Geometry.

PGA AT VALHALLA
BY JOYCE DAY

It was quite an experience to have the PGA in town and have them playing at Valhalla. I went to the merchandise tent with another Bulldog Mom and had a ball. We also had breakfast at Wild Eggs and everyone was all excited about the tournament. Of course, I had to let them know that Valhalla would not be there without a MALE GRAD, W. DWIGHT GAHM ’36. He had the foresight and intelligence to make Valhalla happen. Also, one of the sponsors of the tournament was Humana, founded by a MALE GRAD, DAVID JONES ’49.

WE ARE MALE HIGH!!!!!
WE ARE A FAMILY THAT MADE LOUISVILLE WHAT IT IS TODAY
GO BULLDOGS

Diane Drake, daughter of James Drake, LMHS librarian from 1956-1974, visited the alumni offices in May. Time was spent reminiscing about her dad and LMHS. She remembered Male fondly from childhood. On in-service days her dad would bring her to the library to play. Her skates were even spray painted gold with purple pom-poms. Her dad truly loved Male High School. He turned down the Librarian position at Stetson University because he couldn’t leave Male High. Ms. Drake spoke of how much tradition Male has. Ms. Drake currently lives in Texas with her husband.

THE LOUISVILLE MALE HIGH SCHOOL ALUMNI ASSOCIATION

Will hold the
29TH ANNUAL HALL OF FAME BANQUET

September 28, 2014
Holiday Inn Hurstbourne
Social Hour at Noon
Banquet at 1 p.m.

In the spring Rose, LMHS ’64, and husband John (that other school ’62), Wright came by to pick up a copy of The First One Hundred and Thirty-five Years.

ADDRESS CHANGE?
If you are moving or you are a parent who still receives your student’s Brook ‘n Breck, please email us at lhhsyalum@aol.com, subject: Address Change so that we can keep current on our addresses.
Class of 1965:
Two fall fund raisers are planned.
1) Tropicana Casino in Evansville, bus trip, September 27th. Tickets, $35.00. Contact Garnett Phelps for details.
2) Old School 60’s Dance in October, in the planning stages. Stay tuned. More reunion stuff to come.

Class of 1969:
Everything for the class of 1969 reunion went well. Everyone had a fantastic time. The only sad part was one of our classmates who had sent in her monies and planned to attend died. Her name was Vernita Williams.

If you are planning a reunion next year, let us hear from you. Contact Gaynell Luttrell at ky.babe@twc.com, 502-640-0612 or call the Alumni Office, (502) 485-8826.
It seems we have confused everybody with dues. Some people who paid the last dues of 2013 have for some reason been marked paid for 2015. If you have paid dues and your name is not on this list please let me know at hmskyskyal@aol.com. We will try to have our computer program set we can print envelopes for their dues instead of ourselves. Bill will go out in 2015 again but please let us know your status.
I was horrified when my phone rang and I was told my granddaughter, Sydney Thompson ’15, had rolled her car on 44 in Mt. Washington. In the car with her was Sydney Stevenson ’16 and Kiana Cotton ’16. No, they were not speeding, texting or on the phone. There was something in the road they were trying to avoid. The story has a great ending because they were taken to Kosiar Hospital and all were released without any injuries. – THEY WERE ALL WEARING SEAT BELTS. I have bought all my children any injuries. – THEY WERE ALL WEARING SEAT BELTS. I have bought all my children any injuries. – THEY WERE ALL WEARING SEAT BELTS. To continue receiving the newsletter we need your email address. The cost to mail and print the newsletter is extremely expensive. When the ladies marry and names change we lose track of you. Also men move and do not give us their forwarding address. Emails will make this so much easier.

What will happen is you will receive an email telling you the newsletter is on the web site (malealum.org) and you can download and print it at your convenience.

Please send this information by email to lmhsyalum@aol.com and give us your current name (Please include your maiden name and no nick names) and your email address.

Thank you for your attention to this matter.
